

In August of this year, we lost one of our most dedicated and well-liked club members, Mike Vawters. As our vice-president and safety officer, he provided our club with invaluable leadership and expertise through the years. This yearly Fun Fly, now named after him, is to honor him for his contributions to our club and to the hobby. We are continuing his idea of having this Fun Fly to welcome other clubs to our flying field just to have an enjoyable day of flying and camaraderie.
